I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: There does not appear to be any valid
reason to restrict the functioning of these
Specialty Pharmacies. They are a valuable
source of difficult to obtain specialty pharmaceuticals.
Thank you
